The Ra Brick Sauna.  
(Ra - The Egyptian Sun God).

Aachen Wellness new saunas are designed around individual installation, our factory manufactures domestic saunas and commercial saunas suited to any new build projects or sauna refurbishments.

As a modern company we are open to new ideas and designs, in our showroom we have a fresh concept for a sauna which we call the Ra Sauna. This is a brick built Herbal sauna operates around 60 degrees and is constructed in rustic hand-made bricks which radiate heat back into the room providing a constant even temperature.

The automatic dosing system delivers water on to the coals at timed intervals releasing the herbal aromas into the room and enhancing the experience.
